On 28th May 2010, people all over the world will be taking part in the first ever

## **International RSD/CRPS Awareness Coffee Morning**

to raise awareness of Reflex Sympathetic Dystrophy, also known as Complex Regional Pain Syndrome. This neurological condition can affect anyone, at any age.

## **Help Us!**

by talking about RSD/CRPS.  
Talk about it on your coffee break, at home, or even on facebook or twitter.  
Raise awareness and help more people get the help that they need!
